Where international, state, and/or county boundaries coincide, we show the boundary symbol for only the highest-ranking of these boundaries.

¹ Indicates that the place name indicates that the place is coextensive with a MCD. A "*" following an incorporated place name indicates that the place is also a false MCD. In both cases, the MCD name is shown only when it differs from the place name.

² A "*" following a VTD code indicates an actual voting district. Its absence indicates that the VTD is a pseudo voting district or no information is available as to its status.

³ A "*" following a block number indicates that the block number is repeated elsewhere in the block.
